A LOT HAS CHANGED....

but PTO's commitment to make each school year a great one for every student **has not changed.**

Yes, the school day looks a bit different again this year but, **Cleveland Court Elementary still has needs:** technology updates, books, field trips, recess equipment, grants for teachers, grants for clubs, class parties, holiday events, Music equipment, Art supplies, and PE equipment. Even our beloved pond continues to need maintenance in addition to our gardens and landscaping.

Help the PTO raise the funds needed to make all of this happen by participating in our new fundraiser [ShopWithScripp!](#)

2021-2022 Budget

We are still in unusual times and there are still many things that we are unable to do right now. **However, we remain hopeful that we will be able to do more soon and we want to be prepared to jump right in the moment that we are able!**

The below budget is based on what we have done in the past, however we know that changes will need to be made throughout the year. **No matter how this year plays out, we are committed to doing what we can to make it a great year for every student!**
